The Mission.....

The North Florida Junior Golf Foundation (NFJGF) provides local junior golfers, ages 7-18 and younger with approval, an opportunity to be a member of the organization which will allow them to play in competitive tournaments that are affordable, professional and are consistent with the USGA Rules of Golf and the Conditions of Competition. Each tournament and event will provide an opportunity for junior golfers to build a solid foundation, gain tournament experience and compete among their peers for the love of the game. The experience will help prepare junior golfers, if they so desire, to compete in any State or National event. NFJGF will also promote, fund and manage a scholarship program specifically for NFJGF Members. NFJGF will strive to provide scholarships to junior golfers that have participated as a member, uphold the values of the organization and pursue a degree at an accredited college or university.

The Vision.....

The North Florida Junior Golf Foundation will become the pinnacle organization for junior golf in the North Florida area. The Board of Directors, Executive Director, staff and volunteers will work with the golf community to develop and operate a junior golf tour that is professional, positive and champions the journey of junior golfers in developing their game. The organization and members will grow in size and standards to meet the needs of this junior golf community. The Board will function as the policy maker, oversee the operations of the organization and fulfill the strategic plan. The Committees will drive the major functions of the organization to reach out in the community and bring in the necessary resources to continually move NFJGF in a forward direction as an advocate of junior golf. NFJGF will hire, support and financially compensate professionals to run events and operate the infrastructure of the organization. In two to four years NFJGF will be well known to all in the golf community-local professionals, golf professionals, golf course members, country club members, public and private school golf teams and coaches, parents and backers of junior golf.

The Values.....

The values governing NFJGF will be to operate the organization and impact young people with integrity, honesty and fairness. We will promote the values of self-esteem and pride in our events, with our members, among each other and the community. Our decisions will be made with an objective, fact-based thought process. We will work together to nurture independent thinking which fosters taking responsibility for your actions.

However, Guests will pay a higher entry fee.

The Tournament Series is divided into three levels in order to provide a more competitive environment for junior players within their skill set. SPECTATOR GUIDELINES AND POLICIES

All spectators are to adhere to the following guidelines:

Spectators are asked to:

- View play from cart path or rough areas only, no closer than 30 yards. It is recommended that spectators walk 30 yards in front of the players at all times. In order to maintain consistency, we ask that all spectators view play from the “rough” only. Spectators need to “stay up” with the group they are watching. Lagging behind slows play for the entire field.
- Please be courteous to all players and **Encourage all players with applause and compliments.**
- Make sure that you are never standing directly behind or in front of any player preparing to hit.
- Keep small children under control.

Spectators are not permitted to:

- **Walk down fairway or go onto any green.**
- Talk to or advise players during play as this is a rules violation in accordance with the USGA Rule Book (seeking advice). A player may be assessed a **2 stroke penalty** for each violation of this rule, with a maximum penalty of 4 strokes and/or disqualification.
- Make rulings: Spectators are not officials and should not make rulings on the golf course. Speaking to players or transportation of players is prohibited (unless previously arranged prior to the start of the event) and could lead to penalties to the competitors.
- Be conscientious when talking with others when players may be preparing to hit.

Please remember that part of the player's experience with **NFJG** is a learning experience. Therefore, spectators are not allowed to interfere with the assessment of penalties and/or score keeping. If a spectator or competitor has a score or ruling question they should ask for assistance from a tournament official or if a tournament official is not present use the “second ball rule”

Cell Phones:

Cell phones are not appropriate on the golf course. Please set your phone to silent. If you must make a call please leave the course. Please keep in mind that some courses do not permit the use of cell phones.

Attire:

All spectators should be appropriately dressed. Please refer to the Code of Conduct; Attire section of the Member Handbook. Please act appropriately and be appreciative of the staff and host facility.

Spectator carts may be permitted – please check with the registration at each event.

Caddie Program

Foundation Divisions and Boys and Girls 10-12 years of age and under only.

The Executive Director has the authority to eliminate or modify caddie policy at any time.

In golf, a caddie (or caddy) is the person who carries a player's bag and gives insightful advice and moral support.

Anyone wishing to caddy for a member of the RISING TOUR or FOUNDATION TOUR must

- Be a family member, **18** years of age or older or a non-family member adult, 18 years of age or older approved by the players Parents.
- Confirm they have read this policy and will conform to its contents.
- Acknowledge that they have a good understanding of golf and the basic rules of golf.
- Approved caddies must wear a **NFJG** Caddie Bib at all times while on duty. (picked up at registration and returned to scoreboard)

POLICIES

- Caddies under certain conditions are permitted to use motorized vehicles (approved by the ED), but are encouraged to walk. Fees will vary from club to club and are not included in player's entry fees.
- Caddies are allowed to carry/transport players clubs and equipment.
- Players **are not** permitted to ride at any time. EXCEPTION: WHERE ALL PLAYERS ARE BEING SHUTTLED DURING EVENT. Penalty: 1st offence: 2 shots to competitor. 2nd offence: 2 shots to competitor and caddie will leave course and/or lose privileges for remainder of season.
- Caddies **are not** permitted to consume alcoholic beverages or smoke while caddying.
- Caddies will be allowed to search for player's balls along with any other players in the group.
- Caddies will be allowed to clean player's golf ball and offer advice. (**pace of play** strictly enforced)
- In the instance where caddie is not adhering to pre-determined standards. 1st offence: 2 shots to player. 2nd offence: 2 shots to competitor (max 4) and caddie will leave and/or lose privileges for remainder of season.
- A **NFJG** staff/rules official will be assigned to the Foundation Rising/Elite Division at each event. This Staff person will be in charge of all caddie decisions during the course of play.

THE INTENT OF THIS PROGRAM IS TO ASSIST AND MENTOR OUR YOUNGER PLAYERS DURING THEIR ROUND OF GOLF. ANY CADDIE BERRATING A PLAYER OR CREATING CONFRONTATIONS WITH SPECTATORS WILL LOOSE THEIR CADDIE PRIVELEGES. THIS DECISION WILL BE THE DETERMINATION OF THE EXECUTIVE DIRECTOR. CADDIES IN GROUPS ARE EXPECTED TO ASSIST OTHER PLAYERS. THE INTENT IS FOR THE CADDIE TO HELP EVERYONE, NOT JUST FORMING A "PLAYER/CADDIE TEAM" AGAINST EVERYONE ELSE.

Note: The Executive Director reserves the right to utilize the cadde program during any schedule event for any or all tour divisions.
