List of approved AJGA PBE STARS as of: December 25, 2023

Please Note: AJGA PBE Stars are awarded to junior tours based on previous years participation, strength of field and results. The more players who participate this year the better the opportunity of being awarded Stars next year. After each event, tournament results are submitted for historical data and AJGA PBE Star consideration. If an upcoming event is not listed below, it is under review by the AJGA PBE Committee or it has been declined. The number one reason events are declined is because events don't meet the minimum participation level for consideration.
