BRADY DOUGAN

This quarter, we spotlight a young golfer from Jacksonville, Florida, who competes in Florida Junior Tour, American Junior Golf Association, and other state and national events while maintaining playing status on the NFJGTOUTR.

Brady has earned 25 wins on the NFJGTOUTR. His personal goal is to wake up each day determined to become a better version of himself than he was the day before. He embraces the “grind” and the time and hard work required to become an elite player, learning from losses and celebrating victories with humility. Most recently, Brady fired a flawless 10-under-par 62 at Quail Ridge Country Club, breaking a course record that had stood for more than 20 years.

Combined with his opening-round 69, the performance secured the Florida Junior Tour "PAM McCLOSKEY-BOSNIHAN MAJOR" title at 13 under par. His 62 was also the lowest round ever recorded in his age group on the Florida State Junior Tour.

NFJGTOUR Career

Since joining the NFJGTOUR in 2020, Brady has played in 87 events and built a stellar junior career, with:

- 25 wins
- 11 runner-up finishes
- 56 top-five finishes

He is also a two-time "PLAYER OF THE YEAR" and has served six times as a leader on the FLORIDA COAST RYDER CUP team winning three times.

Beyond the NFJGTOUR, Brady continues to excel. He qualified for the U.S. Junior Amateur, carding a 3-under-par 67. He also qualified for the U.S. Amateur, coming out on top of a 6-hole play-off at one under par.

On the Florida Junior Tour, Brady has recorded one win and four top-10 finishes. Across 17 rounds, he has maintained a scoring average of 71.8. He has also captained two winning championship teams in the FSGA Team Championships.

Off the course, Brady enjoys helping around the house and assisting his grandparents with daily chores. He has also developed an interest in Pickleball and values spending time with family and friends.
